FROM THE PASTOR'S DESK

Dear brothers and sisters in Christ,

We are officially into the summer with the end of the school year, and hopefully with some good weather we can enjoy this season for the first time in a years without having to be restricted as much as we were during the throws of the pandemic. For us as a parish, we symbolically celebrate summer with having our Sunday celebration of the Eucharist in the lower Church. A few months ago I had asked a family if they wouldn't mind having the baptism of their child in the lower Church because of a wedding in the upper Church being celebrated at the same time. The father said to me, "we prefer to have the baptism in the lower church because my parents and grandparents were married in that place. This was the original church."

Many of you know that the "upper" or main church was not built until the 1960's and before that the lower church was THE church. During our summer I hope as we ponder the history of our parish and reflect on our identity as a community of faith that is so rich in diversity, we can discern more deeply in these months the needs, the vision, and the plan to keep us a sustainable parish.

There are a few things I would like to invite you to consider participating in during the summer to help us to make our visioning of our parish more intentional.

A couple of things will help us. We are changing the format of our bulletin to provide more information that is reader friendly. We have a new website that is still being fully developed to help us communicate with you on the activities resources of the parish. We also need to do some serious planning. At the present time we do not have an active Parish Pastoral Council. We have to discuss out mass schedule and its relationship to the formation of our young people in religious education. The Academy, although not a parish school, is ours in the sense that many of our children from the parish attend there, and long with this connected and long history, the Academy is facing the most critical period of its history. We as a parish have to be as supportive as we can of the Academy so it can grow in population, and continue to be a source of blessing for the parish and the community.

I hope you will become as involved as much as you can with these areas of future visioning and planning. I will be sharing information with you each weekend, beginning with the budget, the updates on the Synod process, the state of our parish office re-location plans and our reaching out to those who are still lingering and have not retuned since the beginning of COVID.

Thank you for the gift of your faith. And may the Eucharist, the gift that you make more meaningful by your participation in it each week, sustain you and your families as we continue to walk faithfully with the Lord and with one another.

May God bless you and your family.

Fr. Jim Price, CP

MENSAJE DEL PÁRROCO

Queridos hermanos y hermanas en Cristo:

Estamos oficialmente en el verano con el final del año escolar y, con suerte, con un poco de buen tiempo, podemos disfrutar de esta temporada por primera vez en años sin tener que estar tan restringido como lo estábamos durante la pandemia. Para nosotros, como parroquia, simbólicamente celebramos el verano con nuestra celebración dominical de la Eucaristía en la Iglesia inferior. Hace unos meses le había preguntado a una familia si no les importaría tener el bautismo de su hijo en la iglesia inferior debido a que se celebraba una boda en el templo parroquial (piso superior) al mismo tiempo. El papá me dijo, "preferimos hacer el bautismo en la iglesia de abajo porque mis padres y mis abuelos se casaron en ese lugar. Esta fue la iglesia original".

Muchos de ustedes saben que el templo "superior" o principal no se construyó hasta la década de 1960 y antes de eso, la iglesia inferior era LA iglesia. Espero que, durante nuestro Verano '22, mientras ponderamos la historia de nuestra parroquia y reflexionemos sobre nuestra identidad como una comunidad de fe que es tan rica en diversidad, podamos discernir más profundamente en estos meses las necesidades, la visión y el plan para mantenernos una parroquia sostenible.

Hay algunas cosas en las que me gustaría invitarlo a considerar participar durante el verano para ayudarnos a hacer que la visión de nuestra parroquia sea más intencional.

Un par de cosas que nos pueden ayudar. Estamos cambiando el formato de nuestro boletín semanal para brindar más información que sea fácil de leer. Tenemos un nuevo sitio web que aún está en proceso de completer su Desarrollo para ayudarnos a comunicarnos mejor con usted sobre los recursos y actividades de la parroquia. También es urgente hacer una planificación seria. Actualmente no contamos con un Consejo Pastoral Parroquial activo. Tenemos que dialogar sobre nuestro horario de misas y su relación con la formación de nuestros jóvenes en la educación religiosa. La Academia, aunque no es una escuela parroquial, es nuestra en el sentido de que muchos de nuestros niños de la parroquia asisten allí, y junto con esta larga y conectada historia, la Academia se enfrenta al período más crítico de su historia. Nosotros, como parroquia, tenemos que apoyar tanto como podamos a la Academia para que pueda crecer en matricula y continuar siendo una fuente de bendición para la parroquia y la comunidad.

Espero que se involucre tanto como pueda con estas áreas de visión y planificación futuras. Estaré compartiendo información con ustedes cada fin de semana, comenzando con el presupuesto parroquial, las actualizaciones sobre el proceso del Sínodo, el estado de los planes de reubicación de nuestra oficina parroquial y nuestro alcance a aquellos que aún persisten y no han regresado desde el comienzo de COVID-19.

Gracias por el regalo de su fe. Y que la Eucaristía, el don que hacen más significativo por su participación en ella cada semana, los sostenga a ustedes y a sus familias mientras continuamos caminando fielmente con el Señor y unos con otros.

Que Dios te bendiga a ti y a tu familia

Padre Jim Price, CP
